

OUR Environmental Policy at Whyco Finishing Technologies, LLC

MEET or EXCEED:

- All environmental, regulatory and legal requirements

PROVIDE:

- What is appropriate to the nature, scale and environmental impacts of Whyco's activities, products and services

CONTINUALLY IMPROVE:

- The effectiveness of the environmental management system and the prevention of pollution

MOST IMPORTANTLY:

- Whyco is committed to protecting the environment
- The Company shall produce products that meet or exceed Customer expectations while operating in an Environmentally responsible manner

This policy forms the framework for environmental objectives maintained by the management team. Both the policy and objectives are continually reviewed during Management Reviews for suitability, adequacy, effectiveness and profitability.

. This policy is communicated to the public via Whyco's website at whyco.com
